Many insurance plans cover physical therapy services, but there may be certain conditions that apply. For example, your insurance plan may require pre-authorization for services or restrict the number of visits covered. It is important to know what your plan will cover *before* you begin therapy.

Please call your insurance company to find out what your plan covers. Below are questions you should ask. Please bring this completed form with you to your first appointment or fax it to our office at 920-452-6107 before your first appointment.
